New Business:

Tom is wanting some document adjustments and printing done for the Treasure Hunt on letterhead. Maggie will adjust, print and deliver to Tom.

We will need to discuss how we include advertising re the treasure hunt since the Pennywise is no longer being published. Posters will be updated by Hall's Printing, Maggie will drop them off, and Honora will pick up when she goes to Nelson.

Is the Valley Voice our best option? Does anyone have a concern that since the Slocan Legacy Fund uses the VV, might CFNKLS be confused with them?

Tom thought not, and the Valley Voice reaches the most people. The Board approved 2 ads for both Treasure Hunt, for 2 runs.

Volunteer Fair and dinner, at Legion Hall. Honora reported that the Fair was attended largely by seniors, and some groups did recruit a few volunteers.

Update on Grant evaluations, Honora suggested that evaluations be done as received by Rachel. This saves Rachel time as she has other Community Funds that she is administering.
May 3rd Evaluation Committee to meet at Honora's house to complete the final evaluations.

Ladysmith Community Fund, had an ad that Honora liked....possible source for a template for our website and social media (the email is in cfnkls email) Honora will discuss with Donna and Kendrick.
